GETTING TO KNOW YOUR Salton Dual Head Massager

Before attempting to use your Salton Dual Head Massager you should become familiar with all of the parts. Read all of the instructions and safeguards carefully.

Identify all parts of your Salton Dual Head Massager according to the drawing below so that you have no doubts when reading the instructions that follow.

INSTRUCTIONS FOR USE

The ergonomically shaped design of the Dual Head Massager simulates different massage techniques and provides an enjoyable, soothing massage for the entire body. To operate the Massager, simply choose the type of massage you want and press the rubber Push Button. To simulate a finger massage, press ① on the Push Button to activate the Small End. To simulate a palm massage, press ② on the Push Button to activate the Large End. When you have finished using the Massager, press 0 on the Push Button to turn the unit OFF.

NOTE: THIS PRODUCT IS SPLASH-PROOF ONLY.
DO NOT IMMERSE IT IN WATER.

HOW TO CHARGE YOUR DUAL HEAD MASSAGER

Your Dual Head Massager requires charging in its Case for 14 hours before use. This appliance can only be used in conjunction with the Charging Case and Adapter supplied. The Adapter is suitable for connection to a 120V AC wall outlet.

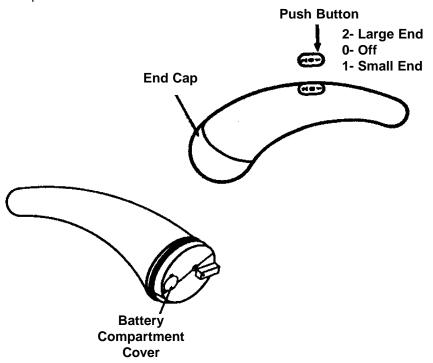

NOTE: Do not use the Charging Case with any other appliances.

TO CHARGE:

- Switch off the Massager and position your Dual Head Massager into the Charging Case on the Massager Rest. Plug the Adapter jack into the Charging Socket located on the Charging Case.
- Plug the Adapter into the 120V AC electrical outlet. Charging is indicated by the illumination of the red LED on the panel of the Charging Case.
- **3.** The normal charging time for this appliance is 14 hours (60% of the capacity can be obtained after the first 6 hours charging time).

HOW TO REMOVE THE RECHARGEABLE BATTERIES

If possible, operate the massager until the batteries are empty. Remove the End Cap by turning it counterclockwise. Use a screwdriver to remove the Battery Compartment Cover. Shake the batteries out through the opening. Use 2 AA <u>sealed nickel cadmium rechargeable</u> batteries as replacements.

USER MAINTENANCE INSTRUCTIONS

TO CLEAN: Use a soft, damp cloth or sponge to wipe the exterior of the Massager. Never use abrasive cleaners or solvents, as they may scratch the surface.

TO STORE: Allow Massager to cool after usage, and then put it in the Charging Case, along with the Adapter, into its original box, or in a clean, dry place.

ONE YEAR LIMITED WARRANTY

This Salton Product warranty extends to the original consumer of the product.

Warranty Duration: This product is warranted to the original consumer purchaser for a period of one (1) year from the original purchase date.

Warranty Coverage: This product is warranted against defective materials or workmanship. This warranty is void if the product has been damaged by accident, in shipment, unreasonable use, misuse, neglect, improper service, commercial use, repairs by unauthorized personnel or other causes not arising out of defects in materials or workmanship. This warranty is effective only if the product is purchased and operated in the USA, and does not extend to any units which have been used in violations of written instructions furnished by Salton, Inc., or to units that have been altered or modified or to damage to products or parts thereof which have had the serial number removed, altered, defaced or rendered illegible.

Warranty Disclaimers: This warranty is in lieu of all warranties expressed or implied and no representative or person is authorized to assume for Salton, Inc. any other liability in connection with the sale of our products. There shall be no claims for defects or failure of performance or product failure under any theory of tort, contract, or commercial law including, but not limited to, negligence, gross negligence, strict liability, breach of warranty and breach of contract.

Warranty Performance: During the above one-year limited warranty period, a product with a defect will be either repaired or replaced with a reconditioned comparable model (at Salton, Inc.'s option), when the product is returned to the Salton, Inc. facility. The repaired or replacement product will be in warranty for the balance of the one year warranty period and an additional one month period. No charge will be made for such repair or replacement.
