

## INSTRUCTIONS AND WARRANTY

Model WT-4

# Wet Tunes™ The Wet Cassette

Congratulations! You are the proud owner of the Salton Wet Tunes Radio™, to obtain maximum satisfaction and enjoyment, please follow these simple guidelines.

- 1) Do not submerge the wet cassette in water. It is water resistant and contains a water proof speaker. However for maximum life of radio and batteries, do not immerse WT-4 in water.
- 2) Always use alkaline batteries.
- 3) Place Wet Tunes away from shower head to maximize listening abilities. Avoid locations that lie directly in the path of the shower stream.
- 4) Signal reception: Turn on the radio and move it around to various locations and positions on the wall to determine a suitable location which provides good reception.
