A black George Foreman grill is shown from a three-quarter perspective. The grill has a removable top plate with a drip tray underneath. White dimension lines indicate the width is 12 inches and the depth is 11.75 inches. The brand name "GEORGE FOREMAN" is visible on the top plate.

4 SERVINGS

Feed the whole family fast! The 60 square inches of grilling surface let you make up to four servings of everybody’s favorites all at the same time.

REMOVABLE PLATES

The grill plates are completely removable and dishwasher-safe.

DRIP TRAY

The dishwasher-safe drip tray collects excess fat and grease so you don’t have to. How nice is that?

A close-up photograph of two pieces of grilled chicken breast on a white plate, garnished with fresh vegetables like tomatoes, radishes, and herbs. A white text box with a thin border is overlaid on the left side of the image, containing the text "35% FASTER HEAT-UP**" in large, bold, white letters.

** Compared to George Foreman® removable plate grill, GRP0004.

A diagram showing the sloped grilling surface of the George Foreman grill. The top plate is tilted upwards, and a drip tray is shown below it, illustrating how the slope helps remove fat from the food.

Fat-Removing Slope

It’s the sure sign of a George Foreman Grill. The sloped grilling surface helps remove up to 42% of fat for lean, tasty meals.

A close-up photograph of the grill plates showing the nonstick coating. Several pieces of grilled chicken are shown on the plates, demonstrating the coating's effectiveness.

Advanced George Tough™ Coating

There’s a lot to love about this nonstick coating. It’s durable, free of PFOA, easy to clean, and removes the need for butter and oil.
